

ADVANCED INTEGRATED SOLUTIONS (AIS)

TRUSTED SOLUTIONS PROVIDER

About Us

Advanced Integrated Solutions (AIS) is a well reputed Saudi based Trading and Contracting Company for **Electrical, Mechanical & IT Solutions** with a range of services covering the design, procurement, installation, commissioning, operation and maintenance of new systems along with the upgrade, support and management of existing systems in different sectors.

AIS operates a unique team of fully trained technicians and engineers for the general contracting services also including Civil works. They are available to assist in planning, scheduling and managing jobs to meet project deadlines. This dedicated work force compliments our services team which deals with any project with specific requirements.

We offer an unmatched combination which brings together dynamic and talented professionals to deliver superior products and customized services.

We are committed to providing the highest level of products and services at a very reasonable price with our proven ability to deliver on time, our promise has been recognized by several leading companies in Saudi Arabia.

Message from Owner

Advanced Integrated Solutions (AIS) is a well established Electro Mechanical engineering and solutions provider company. Our strengths are derived from our proven ability to leverage our most valuable assets — our people, suppliers, technology, capabilities and unrelenting focus on creating value for our customers.

In AIS, we study, anticipate and respond immediately. We have a remarkable approach for Innovation; using holistic approach to understand customers; exploring technology around the world to design and tailor the perfect solution; elevating organization knowledge and successfully implement and operate customer solution.

We can help our clients with strategic solution for their requirement. Customer Satisfaction is the hallmark by which we measure our performance and we hold ourselves responsible to the highest standards of quality. In this continually evolving market, our clients are more informed than ever about their solution provider options. Even so, they continue to select AIS as their partner of choice because of our experience, commitment to quality, community and integrity.

I hope that this gives you good information to know AIS better.

Sincerely,
Zafer Kabeer Ahmed
CEO

Mission and Vision

Delivering the highest quality service and products for our valued clients

Vision

To be one of the leading and most successful trading and contracting company in Saudi Arabia. To strive and achieve most trust worthy, reliable name as complete solution provider in all sectors.

Mission

To develop a professional business relationship by rendering top quality products and services for long term, provide a quality service and gain trust and confidence of customers for comprehensive management and successful completion of their projects.

How to reach us
